MENTORING TRAINING: Describe (A) Mentoring training you have received, whether at another seminary or institution and (B) what experience you have had mentoring students.

IN THE MINISTRY SETTING:

Do you minister in a church or ministry with the following characteristics? Please answer yes or no to each and briefly support your answer:

1. Where students/interns are allowed and provided a range of ministry experiences, rather than only one ministry function.

2. Where students/interns have the opportunity to directly minister to some persons over a period of time and can see the results.

3. Where students/interns are allowed some decision-making authority, some initiative in programming.

4. Where students/interns can observe effective ministry as well as provide it.

I have read the Mentored Ministry Manual of Westminster Seminary and I agree to observe the guidelines for supervisors.

FINAL EVALUATION
STUDENT

Student's Name	
Church/Ministry Name	
Mentor's Name	
Contract Dates From:	To:

Directions: *Review your Ministry Proposal--its objectives and tasks. Then respond to each of the following questions. Next, read your mentor's report as he reads yours. And finally, answer the last question jointly.*

I. Comment on your progress in meeting your learning objectives.

II. Describe the significant things you learned about yourself through this mentored ministry experience. Divide your answers into strengths and weaknesses and conclude by naming the area(s) to which you must give further attention.

III. How has your involvement in this mentored ministry been the most helpful for you personally and for your needs in vocational preparation? How has it been the least helpful?

IV. Comment on your degree of satisfaction with the mentoring sessions. Name a few topics you have discussed and mention any reflection tools you have used. What changes, if any, would you recommend in the supervision?

Additional comments?
