

WESTMINSTER TEXAS CAMPUS INFORMATION TECHNOLOGY TIPS June 1, 2006

1. We recommend that you use Microsoft Word. Submit all assignments and papers in hardcopy printout unless the professor specifically invites electronic submission emailed directly to him.
2. We recommend that you purchase, learn and use a bibliographic program such as Endnote. Your bibliographic citation format in papers may effect your grade.
3. We recommend you purchase, learn and use a Bible software package such as BibleWorks, Logos, Bibloi, or Accordance (Mac) which will include Greek and Hebrew fonts for exegetical papers.
