Organizational Timeline for an Apologetics Paper

Instructions
Fill in the dates working backwards from the due date. This approach is important because it helps you be realistic about the time it will take you to carry out a particular phase of the project.

Finished By

1. Choose the article ___ [26 days before]

2. Read the article ___ [19 days before]
   Check other sources in order to:
   
   • help you represent the opposing view accurately
   • help you identify your opponent's presuppositions

3. Thesis and Outline (with arranged notes) ___ [12 days before]

4. First Draft ___ [7 days before]

5. Revising ___ [4 days before]

6. Editing & Proofreading ___ [2 days before]

Due Date ___
